TechGap System Evaluation Questionnaire

CS and IT Students

ISO reference: ISO/IEC 25010 — Product quality model.

This questionnaire adapts selected ISO software-quality criteria. It does not assess every ISO characteristic or establish full ISO compliance. Perceived usefulness is an additional study-specific criterion.

Data Privacy Statement and Participation

Please read this page before completing the questionnaire.

Purpose

The CICS research team is evaluating TechGap, a decision-support system that compares CICS course skills with skills found in a processed JobStreet dataset. It provides curriculum review and student career-planning results. Your answers will help evaluate the system.

Information requested

This form asks for your respondent group and limited academic demographics, your ratings, and optional comments. It does not ask for your name or student number. Please do not include identifying details in comments.

Use and access

Your responses will be used for this thesis evaluation and handled confidentially by the research team. Findings may be summarized by respondent group in the thesis and shared with authorized academic reviewers. TechGap outputs are advisory.

Your choice

Participation is voluntary. You may skip an item or stop before submitting, without any effect on grades, academic standing, employment, or institutional standing. Depending on the survey settings, a submitted response may not be identifiable for later removal.

Questions

You may contact us before participating if you have questions.

Alvarado, Silver Aldren A. | asa0458@dlsud.edu.ph
Billones, John Rey F. | bjf0073@dlsud.edu.ph
Cuchado, Rosh Evander B. | crb0236@dlsud.edu.ph

Response retention period: During the thesis period only

Responses will be handled in accordance with the Data Privacy Act of 2012 (Republic Act No. 10173) and the research protocol.

Consent to participate

( ) I have read this statement and voluntarily agree to answer this survey.

( ) I do not agree to participate. I will not proceed to the next page.

This privacy statement accompanies the study's separate informed-consent document and does not replace it.

Respondent Information

CS and IT Students

Select one response for each question unless otherwise indicated. Do not provide your name or student number.

Eligibility

Eligibility is limited to students currently enrolled in the BS Computer Science or BS Information Technology program and in CICS at DLSU-D.

1. Are you currently enrolled in the BS Computer Science or BS Information Technology program at De La Salle University-Dasmariñas (DLSU-D)?

( ) Yes
( ) No

2. Are you currently enrolled in the College of Information and Computer Studies (CICS) at DLSU-D?

( ) Yes
( ) No

Respondent Demographics

3. Which degree program are you enrolled in?

( ) Bachelor of Science in Computer Science (BSCS)
( ) Bachelor of Science in Information Technology (BSIT)
( ) Other: _____

4. Which specialization track are you enrolled in?

( ) CS - Intelligent Systems

( ) CS - Game Development

( ) IT - Network Technology

( ) IT - Web Development

( ) Other: _____

5. What is your current year level?

( ) 1st year ( ) 2nd year ( ) 3rd year ( ) 4th year or higher

Your ratings concern skills represented by the CICS courses you selected. TechGap does not test actual mastery or include informal learning in its alignment score.

Part I Functionality Evaluation

CS and IT Students

After examining and using the relevant TechGap features, indicate your level of agreement with each statement based on your experience during the evaluation.

Response scale: 5 Strongly agree; 4 Agree; 3 Neutral; 2 Disagree; 1 Strongly disagree; N/A Unable to assess.

Select one response per statement. Select N/A if the feature was not examined or there is insufficient information to assess the statement. Any item may be left unanswered.

Curriculum to Career Alignment

CA1. The alignment results indicate how the selected completed courses relate to the skill requirements of the selected career role.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

CA2. The skill classifications distinguish skills represented by the selected courses from skills identified as gaps in the analysis.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

CA3. The Future Curriculum Coverage classification identifies skill requirements associated with courses that have not yet been completed.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

CA4. The system allows me to select the completed courses to include in the career alignment analysis.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

CA5. The system displays an alignment score for the selected career role.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

Part I Functionality Evaluation

CS and IT Students

After examining and using the relevant TechGap features, indicate your level of agreement with each statement based on your experience during the evaluation.

Response scale: 5 Strongly agree; 4 Agree; 3 Neutral; 2 Disagree; 1 Strongly disagree; N/A Unable to assess.

Select one response per statement. Select N/A if the feature was not examined or there is insufficient information to assess the statement. Any item may be left unanswered.

Career Pathway Recommendations

CP1. The suggested career roles are relevant to the learning represented by the selected courses.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

CP2. The displayed skill requirements provide a basis for comparing the available career options.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

CP3. The option to select another available career role permits analysis of a preferred career pathway.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

CP4. The system presents the suggested career roles in a ranked order.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

CP5. The system identifies the career role selected for the detailed pathway analysis.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

Part I Functionality Evaluation

CS and IT Students

After examining and using the relevant TechGap features, indicate your level of agreement with each statement based on your experience during the evaluation.

Response scale: 5 Strongly agree; 4 Agree; 3 Neutral; 2 Disagree; 1 Strongly disagree; N/A Unable to assess.

Select one response per statement. Select N/A if the feature was not examined or there is insufficient information to assess the statement. Any item may be left unanswered.

Upskilling Guidance

UG1. The roadmap addresses the identified skill gaps for the selected career role.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

UG2. The roadmap indicates a clear order for addressing the recommended skills.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

UG3. The linked learning resources support the study of the skills identified in the roadmap.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

UG4. The roadmap identifies the individual skills to study at each learning step.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

UG5. The system allows me to open the learning resources linked to the roadmap.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

Part II General System Evaluation

CS and IT Students

A. Selected ISO-Informed Quality Criteria

Functional Accuracy

Assess the following aspects of TechGap based on your overall experience during the system evaluation.

Response scale: 5 Strongly agree; 4 Agree; 3 Neutral; 2 Disagree; 1 Strongly disagree; N/A Unable to assess.

Select N/A if you did not perform the activity or lack sufficient information to assess an item.

Base these ratings on the consistency of the displayed results with your selections and with other displayed summaries. You are not expected to verify individual job postings.

FA1. The displayed results reflect the program, year level, and courses I selected for the analysis.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

FA2. The displayed skill coverage and gap classifications are consistent with one another.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

FA3. The displayed alignment score is consistent with the skill coverage shown in the results.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

FA4. The displayed results update to reflect changes I make to my program or course selections.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

FA5. The explanations provided by the system correspond to the displayed results.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

Part II General System Evaluation

CS and IT Students

A. Selected ISO-Informed Quality Criteria

Performance Efficiency

Assess the following aspects of TechGap based on your overall experience during the system evaluation.

Response scale: 5 Strongly agree; 4 Agree; 3 Neutral; 2 Disagree; 1 Strongly disagree; N/A Unable to assess.

Select N/A if you did not perform the activity or lack sufficient information to assess an item.

PE1. The system responds to input selections within an acceptable time.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

PE2. The career suggestions are displayed within an acceptable time after the course selections are submitted.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

PE3. The alignment results are displayed within an acceptable time after a career role is selected.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

PE4. The roadmap becomes available within an acceptable time.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

PE5. The system permits completion of the evaluation activities I performed without excessive processing delays.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

Part II General System Evaluation

CS and IT Students

A. Selected ISO-Informed Quality Criteria

Reliability

Assess the following aspects of TechGap based on your overall experience during the system evaluation.

Response scale: 5 Strongly agree; 4 Agree; 3 Neutral; 2 Disagree; 1 Strongly disagree; N/A Unable to assess.

Select N/A if you did not perform the activity or lack sufficient information to assess an item.

RE1. The system remains operational throughout the evaluation activities I performed.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

RE2. When I repeat an analysis using the same course selections and career role, the system completes the analysis without failing.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

RE3. The system retains my selected information while I navigate between related views.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

RE4. The roadmap loads without a system crash or unexpected interruption.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

RE5. If an operation failed, I could retry it and continue using the system.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

Part II General System Evaluation

CS and IT Students

A. Selected ISO-Informed Quality Criteria

Usability

Assess the following aspects of TechGap based on your overall experience during the system evaluation.

Response scale: 5 Strongly agree; 4 Agree; 3 Neutral; 2 Disagree; 1 Strongly disagree; N/A Unable to assess.

Select N/A if you did not perform the activity or lack sufficient information to assess an item.

US1. The instructions clearly explain how to perform the required activities.
( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

US2. The organization of the interface makes the required features easy to locate.
( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

US3. The terminology used in the system is understandable.
( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

US4. The visual presentation makes the analysis results easy to interpret.
( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

US5. The navigation allows movement between related results without confusion.
( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

Part II General System Evaluation

CS and IT Students

B. Additional Study-Specific Criteria

Perceived Usefulness

Assess the following aspects of TechGap based on your overall experience during the system evaluation.

Response scale: 5 Strongly agree; 4 Agree; 3 Neutral; 2 Disagree; 1 Strongly disagree; N/A Unable to assess.

Select N/A if you did not perform the activity or lack sufficient information to assess an item.

PU1. The system is useful for understanding the technical skills required for a selected career role.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

PU2. The system is useful for recognizing the limits of the skills represented by completed courses.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

PU3. The system is useful for identifying areas that require additional independent learning.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

PU4. The system is useful for identifying relevant learning resources.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

PU5. The system is useful for planning further preparation for a preferred career pathway.

( ) 5 ( ) 4 ( ) 3 ( ) 2 ( ) 1 ( ) N/A

Part III Open-Ended Feedback

CS and IT Students

What comments or suggestions do you have for improving TechGap? (Optional)

_____

_____

How did a specific result or roadmap in TechGap step help or hinder your decision about which skill to learn next? Please describe the result or step and any additional guidance you needed. (Optional)
